**MeriTalk Names 2022 Cyber Defenders Award Winners**

*31 Government and Industry recognized for their contributions to cyber programs in Federal IT*

**Alexandria, Va., May 10, 2022** – Today, MeriTalk announced the winners of the 2022 Cyber Defenders Awards. The awards recognize individuals in government and industry who drive innovation, ensure our nation’s cyber security, and who have made significant contributions across cyber programs in Federal IT.

“These changemakers are bringing innovation and leadership through their commitment to next-generation improvements in security,” said Caroline Boyd, principal, government programs at MeriTalk. “We’re pleased to be able to recognize those leading the charge to improve our nation’s cybersecurity.”

This year’s winners are listed below.
