MeriTALK Announces 2026 Powering Progress Award Winners

Government and Industry Leaders Celebrated for Their Impacts on AI and Cyber Progress in Federal IT

Alexandria, Va., May 1, 2026 – Today, MeriTALK announced the winners of the 2026 Powering Progress Award Winners. The awards recognize government and industry leaders driving meaningful progress in two categories, including the 5th Annual Cyber Defenders Awards and 3rd Annual AI Innovators Awards.

“These leaders are meaningful change in the shifting government tech landscape – from strengthening our nation’s cybersecurity to advancing the transformative potential of AI,” said Caroline Boyd, principal, government programs at MeriTALK. “We’re proud to recognize our Cyber Defenders and AI Innovators for their leadership in shaping a more secure, innovative, and mission-driven future for government.”

This year’s winners are listed below.

AI Innovators, government:

- Larry Allen, General Services Administration
- Doug Freeman, Department of Commerce
- Travis Hoppe, Centers for Disease Control and Prevention
